

The Wahat Al Zaweya Development Project, 1st Phase, 1st Package job, whose tender was announced by the Abu Dhabi Wahat Al Zaweya Investment and Real Estate Development Administration on 5 May 2015, was bought by the partnership formed by Yüksel İnşaat and Al Sarh Contracting LLC for 799,735,386 United Arab Emirates Dirhams (about 217 million US Dollars). Yüksel İnşaat and the pilot company of the joint venture Al Sarh Contracting LLC have undertaken 20% and 80% of the project, respectively.

The employer of the project is Wahat Al Zaweya Development, the employer representative is Arabian Construction Company, and the consulting company is HYDER Consulting. Having initiated work on the project on 12 May 2015, Yüksel has made its entrance into the Abu Dhabi market. The aforementioned package of the project involves infrastructure work such as digging, roads, irrigation, drainage, sewage, street lighting, power grid and landscaping for a new residential and commercial site planned in the Wahat Al Zaweya region. It is planned that the project will be completed in about 36 months.
