

Celebrating its 50th Anniversary in 2013, Yüksel İnşaat launched a Project for planting trees within the activities of Give & Gain Employee Volunteering Day. The Company pointed out the importance of environmental awareness by planting the arid area on the road to Eskişehir Mihalıççık Üçbaşı Village with its employees before the “World Environment Day”. Yüksel İnşaat has been providing support with its employees to the Give & Gain Employee Volunteering Day which has been taking place in our country since last year. Making a statement about the project, Deniz Sazak said: “We believe that this project will not only contribute to the nature but also increase the internal commitment.
