

Organized since 1996 under the sponsorship of Yüksel İnşaat, Yılmaz Sazak Athletics meetings are being perpetuated by the photos taken by the scholars and students of Maltepe University Fine Arts and Communication Faculties since the past nine years. Photos taken during the contests are presented to the sports fans through the Photography Lane Exhibitions. With the aim of extending the exhibitions to a wider viewer group, a special selection of these photos was made in early 2013 to be exhibited in airports managed by TAV throughout Turkey. The exhibition, comprised of specially selected snapshots taken during Yılmaz Sazak Athletics Meetings, was displayed in Ankara Esenboğa and İzmir Adnan Menders Airports, respectively. As its third stop, the selection will be exhibited at İstanbul Atatürk Airport on 1-31 October.
